We do not send bills. Payments to "CHAMBER BENEFITS TRUST" must be here before the 15<sup>th</sup> for coverage starting on the 1<sup>st</sup> of the next month. We have no back up funds. We must be absolutely certain that every member's check clears their bank so that the Trust's check to Blue Cross clears our bank or we jeopardize everyone's coverage. Address your envelope to Chamber Benefits Trust 24 Kendall St, Clifton Springs NY 14432. **DO NOT PUT AN INDIVIDUAL'S NAME ON THE CHECK OR ENVELOPE. SEND YOUR DUES TO YOUR TREASURER.**

Any request to make payment to Blue Cross directly may be a mistake. Get the request to us. Do not ever rely solely or primarily on any one else's answer. Costs include 3.25% for administration.

**WHY DO WE HAVE THIS GROUP?**

To help the Chambers of Commerce and communities that we serve. If a member, a small business person, gets good coverage, they can devote their time to their family and business and not worry about medical or dental coverage. If their business continues and thrives, our entire community is better.

To form their own group a business must have three employees, all must join and have the same plan of coverage. Here each employee has their choice and not all the employees are required to join.

In the past these plans were available to all Chamber members. Now they are only for business members. Call, we can help you know all the ways to qualify and then join a Chamber that we serve.

If you are interested in the economic well-being of your community, you should participate in your Chamber. When business survives and stays, the entire area benefits from all the jobs and many other related economic effects. We hope you will join your Chamber in any event, it's about the value of your community and your property. When business and the economics of your community prosper, your tax rates are lower, employment and property values are higher.
